

NOTICE OF SURPLUS DETERMINATION GOVERNMENT PROPERTY

**QUINCY SCALING STATION
1495 E. MAIN STREET
QUINCY, CALIFORNIA 95971**

GSA Control No. 9-A-CA-1679

September 8, 2009

Notice is hereby given that the above-mentioned property has been determined to be Government surplus and available for disposal pursuant to certain provisions contained in 40 U.S.C 101 et seq., the Property Act.

Quincy Scaling Station is located in Plumas County, California.

The site consists of approximately 1 acre predominately of unimproved land with access from Highway 70. The site is located at 1495 E. Main Street in Quincy, California. The site is bordered by the California Department of Transportation maintenance yard to the north and east, by Highway 70 and Plumas County Sheriff's Office to the south, and an open field to the west.

The property is offered "AS IS" and "WHERE IS" without representation, warranty, or guaranty as to quantity, quality, title, character, condition, size, or kind, or that the same is in condition or fit to be used for the purpose for which intended.

The U. S. Department of Housing and Urban Development (HUD) has determined that the property is suitable for possible use for facilities to assist the homeless under the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 1141), as amended. Proposals to assist the homeless will be granted a priority of consideration. Other public benefit uses of the property will be subject to a determination from the Department of Health and Human Services (HHS) that (1) there are no expressions of interest for the property to assist the homeless or (2) there are no applications or no application has been approved for homeless assistance. GSA will not act on other requests for the property until a final determination from HHS has been received.

The applicable regulations provide that public agencies (non-Federal) shall be allowed a reasonable period of time to submit a formal application for surplus real property in which they may be interested. Disposal of these properties may be made to public agencies for the public uses stated below whenever the Government determines that the properties are available for such uses, and that disposal thereof is authorized by the statute cited and applicable regulations:

Tel.: (415) 522-3420		

If any public agency desires to acquire the property under any of the cited statutes, notice thereof must be filed in writing with the appropriate federal agency, listed on the following pages, **not later than thirty (30) calendar days** from the date of this notice. In addition to filing notices with the proper agency, copies of all such notices should be sent to the following address, within the same 30-day period to:

**General Services Administration
Attn.: Clark Van Epps
Director, Real Property Utilization and Disposal Division, 9PZ,
450 Golden Gate Avenue, 4th Floor East
San Francisco, CA 94102-3434
(415) 522-3420**

Such written notice from applicant shall:

1. Disclose the contemplated use of the property.
2. Contain a citation of the applicable statute under which the public agency desires to procure the property.
3. Disclose the nature of the interest, if an interest less than fee title to the property is contemplated.
4. State the length of time required to develop and submit a formal application for the property (where a payment to the Government is required under the statute, include a statement as to whether funds are available and, if not, the period required to obtain funds).
5. Give the reason for the time required to develop and submit a formal application.

Upon receipt of such written notice, the public agency shall be promptly informed concerning the period of time that will be allowed for submission of a formal application. In the absence of such written notice, or in the event a public use proposal is not approved, the regulations issued pursuant to authority contained in the Property Act provide for offering the property for public sale.

Quincy Scaling Station
GSA Control No. 9-A-CA-1679

Sponsoring agencies may reject an application for a variety of reasons including any requirements imposed by the Government. An application form to acquire property for the stated use, and instructions for the preparation and submission of an application, may also be obtained from that same agency.

If any public agency considers that the proposed disposal of this property is incompatible with its developmental plans and programs, written notice of such incompatibility must be forwarded to the aforementioned GSA address within the same 30-day timeframe prescribed above.

More information about this property may be obtained by contacting:
